# GIGABYTE YEAR END SALEBRATION OFFER

## Promotion Guidelines

- This promotion campaign is valid from 30th December 2021 – 1st January 2022. Promotion is valid through mentioned retailer and e-tailer partners as per the event page and is valid for END USER only.

- All the end users are required to register their products on the AORUS Website.

## Terms & Conditions

- The customer will not be able to claim the offer on purchases that have been cancelled or items you have returned.

- This offer applies to the end-user customer only. No purchases on behalf of any business will be accepted. GIGABYTE employees, employees from GIGABYTE affiliate and/or partner or cooperating companies and agencies, dealers, distributors, and their employees are not eligible to participate in this promotion.

- GIGABYTE reserves the right to audit all requests to ensure that the terms and conditions of the promotion have been met and to request additional information regarding any and all claims and supporting documents.

- GIGABYTE is authorized to exclude the customer from the participation in this promotion without notice under the following conditions:
    - In any case of manipulation in relation to the registrations of multiple products under a single category.
    - In case of multiple applications of a serial number.
    - When the deadline for offer has been exceeded.

- If you need any assistance concerning the promotion, in general, please write to us at preet.singh@gigabyte.in .

- In submitting the registration data, the customer has declared that all requirements for eligibility to participate are fulfilled. At the same time, the customer agrees to these terms and conditions.

- GIGABYTE can stop the promotion without further notice if the execution of this promotion is not redeemed possible or involve unreasonable circumstances due to objective reasons.

- GIGABYTE reserves the right to change the promotion details without prior notice.
- GIGABYTE will use product Serial Number, check number, EAN Code, and invoice as the main criteria to decide whether the claim is valid or not. If the product serial number is not from a local eligible reseller, the submission will be invalid.
